

Tree Shapers

Greetings from Phil Danielson. After 54 years in the tree business, it is time for me to retire from doing tree work.

I want to thank all of our customers for their ongoing loyalty. It has been a pleasure serving you and taking care of your trees. I know that my late business partner, Ted Kipping would have felt the same way.

For the past several years, I have been referring all of our clients to trusted friend and associate, Dmitri Tioupine. Dmitri worked for Ted and I for many years before starting his own business, and he and his team provide the same excellent quality of work as Tree Shapers. Dmitri is a Certified Arborist and a Qualified Tree Risk Assessor. I highly recommend him for his excellent work and ethical business practices.

*Dmitri can be reached at **(415) 596-5999**.*
